To incorporate the violation(s) contained in this petition in future proceedings with the violation(s) previously reported to the Court on 12/10/2013 and 02/26/2014.

The probation officer believes that the offender has violated the following condition(s) of supervision:

<u>Violation Number</u>	<u>Nature of Noncompliance</u>
-------------------------	--------------------------------

Special Condition # 17: You shall abstain from the use of illegal controlled substances, and shall submit to urinalysis testing, as directed by the supervising probation officer, but no more than six tests per month, in order to confirm continued abstinence from these substances.

Supporting Evidence: Curtis Knight violated the conditions of his supervised release in Spokane, Washington, by consuming methamphetamine on or about August 29, 2014. The offender reported to the U.S. Probation Office on the above-noted date and submitted a urine sample that tested presumptive positive for methamphetamine. After initially denying use of an illicit substance, the offender admitted consuming methamphetamine on August 28, 2014. An admission of use form was signed by the offender on August 29, 2014, and Alere laboratories confirmed the results on September 4, 2014.
